

# ApexDesk™

## AirLift Mobile Standing Desk ALFXX

### Assembly Instruction

## CAUTION

 Read and understand this instruction before attempting to install or operate.

 This product is not intended for use by young children or for those who require supervision.

 The maximum static weight capacity is 220lbs and dynamic capacity is less. Do not sit or stand on the desk.

 Potential tip-over hazard. Indoor use only.

To raise the desk, just pull the handle. Please note that you will need to give the desk a little lift by lifting the top with one hand while pulling the handle with the other if the desk does not rise freely. To lower the desk, pull the handle and push down on the top.
